  KevinBaconGame/out/production/KevinBacon
  KevinBaconGame
2 Commands:
3 c <#>: list top (positive number) or bottom (
  negative) <#> centers of the universe, sorted by
  average separation
4 d <low> <high>: list actors sorted by degree, with
  degree between low and high
5 i: list actors with infinite separation from the
  current center
6 p <name>: find path from <name> to current center
  of the universe
7 s <low> <high>: list actors sorted by non-infinite
  separation from the current center, with separation
  between low and high
8 u <name>: make <name> the center of the universe
9 n: print the commands again
10 q: quit game
11 Kevin Bacon is now the center of the acting
  universe, connected to 7493/9235 actors with
  average separation 3.2814626985186175
